

Chin watches Rosco's body as a female pulls herself out of Rosco, like a ghost. She brushes herself off, walks up to Chin and Squats down in front of him.

Chin Su Gno

(Scared and gasping for air) Who? Who or what are you?

Ashtart

Does it matter?

Chin

No, I guess not. Just please don't take the book. It will bring devastation to the world and the underworld.

Ashtart rolls her eyes and shoots Chin in the head. Chin drops dead.

Ashtart

Don't care, but now that you stopped talking.

Ashtart reaches down and rips off Chins wrist. She then removes the handcuffs, takes the case and walks away.

Will do.

Int. Bar

Ashtart is sitting at a table by herself drinking a bottle of tequila. The bar is half full. A large shadow appears in front of Ashtart.

Pruslas (voice)

Well is this where Geppeto's lap dog hangs out?

Pruslas walks around and sits down across from Ashtart.

Pruslas

Do you mind if I join you?

Ashtart

After that heart warming hello, how can I say no?

Pruslas

Ah, there's that human sarcasm you enjoy so much. I must say you seem to get the short end of the stick.

Ashtart

Oh how's that?

Pruslas

Well, you're half human, half demon, and you have no soul. Which means you don't belong to any one. Heaven, hell, and Earth all won't claim you.

Ashtart

Well, I must say that this has been a very touching visit and next time you need to insult your guest please find someone else.

Ashtart stands up.

Pruslas

Sit down and calm yourself. I'm not here for chit - chat, I'm here to give you a message to deliver to Geppeto.

Ashtart

You really think I'm some sort of dog don't you? If you have a message for Geppeto, I don't care if you call him, email him, or even send one by carrier pigeon, Just don't bother me with it.

Ashtart starts to turn to leave.

Pruslas

(angry) I said sit down! (calms himself) You are making a spectacle of yourself.

Ashtart looks around and see's people pointing and talking in her direction. Ashtart sits back down.

Pruslas

Good now, listen to me carefully because I am only giving you this message once. Tell Geppeto that I am not giving him the ring and its power...

Ashtart

(interrupts) Stop. Don't go any further. I don't want to know any of Geppeto's business. I don't even care if it's going to cause the end of the world, or make people talk like chickens. I do a job, I get paid, I go on to the next job. Period. End of story.

Pruslas

But you must listen to me, it's your destiny and I have foreseen it.

Ashtart stands up once again and pulls out her gun.

Ashtart

Did you happen to see this?

Pruslas

Silly girl, your little bullets aren't even going to make a scratch on me.

Ashtart

Oh, new flash my bullets are blessed by several religious members. This may sting.

Pruslas panics as Ashtart shoots him three times in the chest. People start to panic as they start to scatter. Ashtart disappears with the crowd.

Ex. Alley behind the bar.

Sirens can be heard in the background as Ashtart ducks down the alley.  
Shass comes out of the shadows.

Shass

Look who stuck their head in the hornets nest.

Ashtart

Shass, what brings your weasel face carcass here?

Shass

This is my hang out spot; you never know what kind of information may pop up here.  
Now the ten thousand dollar question is what brings you to my alley.

Ashtart

Beautiful night, thought I take a walk.

Shass

So, it has nothing to do with killing one of hell's demons.

Ashtart

He's only an associate, not like I killed a duke or a general.

Shass

Hey, I'm on your side. I don't care if he was a peon or a duke. Hell, "kill them all" is my new motto.

Ashtart pulls out her gun and puts it to Shass's head.

Ashtart

Shall I start with you?

Shass

Hey now, let's not get crazy, remember I am on your side.

Ashtart

Fine. (holsters her gun) I guess I've killed enough peons for the night.  
Shass fixes his clothes.

Shass

Now, we need to get you out of here before,

Growls are heard from behind him. Shass turns around and comes face to face with three demons wearing suits. The middle demon picks Shass up and tosses him into trash cans.

Demon #1

Ashtart, you have a lot of nerve killing my boss.

Ashtart

And you have a lot of nerve wearing that suit.

The other two demons giggle.

Demon #1

Kill her!

The two demons stop giggling and immediately charge after Ashtart. Ashtart pulls out her gun and shoots one in the leg as the second one spears Ashtart to the ground. They fight back and fourth until Ashtart is pinned to the ground.

Demon #1

Now finish her.

The demon goes to kill her when headlights blind him, and then he is shot in the chest by a shotgun blast tossing him to the ground. Kudoff and Reginald step up to Ashtart. Reginald is holding the shotgun pointing in the air.
